Non-Hazardous Waste Only: Customer shall not place any waste in the commercial container which requires special handling, including but not limited to items as tires, demolition or construction waste, white goods, regulated industrial waste, foam products, hazardous substances and hazardous waste. Customer agrees that if it places any waste, which is liquid, radioactive, reactive, toxic, ignitable, corrosive, pathological, or waste which is defined hazardous, toxic or banned substance, medical waste or otherwise regulated waste ("contaminated waste"), pursuant to local, state, provincial or federal laws or regulation, in the commercial container, it shall indemnify the Contractor in handling and disposing of such contaminated waste and title to any such contaminated waste shall not pass to the Contractor but shall remain with the Customer. Customer acknowledges that it is familiar with the content and characteristics of its waste and is aware of the laws and regulations applicable to the same.

Responsibility for Commercial Container: The commercial container furnished by Contractor hereunder shall remain the property of Contractor and Customer shall have no interest in such commercial container. Customer shall be responsible for all loss or damage to the commercial container except for normal wear and tear or for loss or damage resulting from Contractor's handling of the commercial container. Customer shall not overload (by weight or volume), move or alter the commercial container, and shall use the commercial container only for proper and intended use, Customer agrees to indemnify, defend and hold harmless Contractor against all claims, damages, suits, penalties, fines and liabilities for injury or death to person(s) or loss or damage to property arising out of Customer's use, operation or possession of commercial container. On collection day, Customer agrees to provide unobstructed access to the commercial container on the scheduled collection day. If the commercial container is inaccessible so that the regular scheduled pick up cannot be made, Contractor will afford the Customer a reasonable opportunity to provide required access.

Pavement Damage: Contractor shall not be responsible for damage to Customer's pavement, curbs, subsurface or other driving surface resulting from the weight of Contractor's vehicles or requirements to perform the service herein contracted. Customer shall provide safe, unobstructed ingress and egress.

Miscellaneous: If any conflicts exist in this agreement between terms which are printed and those which are typed or written, the printed language shall govern.
Contractor reserves the right to designate the collection day of a commercial container so long as frequency meets the required service level of days per week of Service.
